

Who's Ready for Summer?

As we conclude the 2016–2017 school year, we are excited to share the accomplishments of our faculty, staff, and students. This past academic year has been one of growth, expansion, and continued successes for the department.

We are proud to announce that WSU was named among one of the Top 10 Innovative Schools for Foreign Languages by the TheBestColleges.org. We hope you enjoy reading and learning what's new with the DFCL!

Follow us on social media to stay up to date on the happenings in the department!
