## Native Programs has New Website!

WSU Native American Programs is announcing the unveiling of our brand new website! Visit [www.native.wsu.edu](http://www.native.wsu.edu) to find comprehensive information for both prospective and current Native students at WSU.

The new site incorporates the services and activities of the Tribal Liaison Office, the Native American Student Center and Graduate Student Center, and the Plateau Center all in one central location. An exciting new feature of the website is an Events Calendar for the WSU Native Community. Check it out, add it to your bookmarks, and pass it on!

We are also all over social media. Like us on [Facebook](#) and follow us on [Twitter](#)!
