We realized there are a LOT of **PIE CHERRIES** out there after picking just one tree last week!! While we love picking cherries we've got lots of other chores to do around the farm...so **U-Pick** cherries are on. This will only be available this **Friday (3-6)** and then for a one time **Saturday sale (10-2)**. Jenny has graciously offered to open the farm stand on Saturday to give more time for folks to come pick cherries as well as raspberries. This will likely be the last week for them.

we will also have the usual veggies for sale on Saturday.

Help spread the word and bring your friends and family out to the farm to enjoy some time in the orchard.

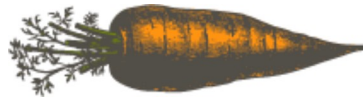

Thanks! Brad
