#### **Beth Wangen, Coordinator of Volunteer Development**

Hello, Volunteers! I am excited to be working with such an impressive group of individuals, dedicated to excellence in youth development! The past nine years, I served as a program director for YMCA Camp Orkila on Orcas Island. Prior to that, I was a camp director in New York, managed after-school programs in Arizona, and served five years in the Peace Corps and AmeriCorps. I am tickled pink to be near my step-children, grandson, parents, niece, and nephew (i.e. impending 4-H recruits) here on the mainland. My husband and I will be getting our kitties acclimated and looking for a house in the county, where we can pursue our passions for gardening, animals, EMS, biking, and DIY projects. I look forward to meeting all of you!
