4-H Council Looking for a Few Great Adults and YOUTH!

The Snohomish County Council serves as the hub between the State and county programs.

These meetings are open to anyone who is interested in what is happening in 4-H within our county and state. The Council has several committees: Grants, Awards, Volunteer recognition, Fundraising, Finance, Nominations.

With the new 4-H year beginning, we have a few volunteer positions to fill. Everything from a few hours a year to chair positions. All positions are a rewarding experience! Assistance is available from previous chairs and board members to get you started and assist you as needed along the way.

Anyone who is interested can volunteer, from youth to adults. Please reach out to me if you have questions. General meetings are held at 7 p.m. the 2nd Wed of the month in January, March, May, July, October and November.

Club Seal of Achievement

This is a great time for volunteers and youth to evaluate how your club did last year! The Seal of Achievement form can help you find things to celebrate and ways to improve. Eligible clubs that submit their form by the end of December will be recognized at the next Awards Ceremony at the fair in 2019!

Where's the Volunteer Update?

I know, I know! You enjoyed last year's online Update so much, you are yearning for the next one! Don't worry; we'll definitely notify you right here when the next scintillating episode is ready. It might be a while, as we are still very short-staffed here in the 4-H office, but we'll keep you posted!
