### **Teen Leadership Summit!**

This statewide 4-H event is for youth entering grades 7-12 next fall. Held at Lazy F Camp in Ellensburg, June 28-30, the cost is \$80. Registration opened today on 4HOnline, at <https://wa.4honline.com>. Questions? Contact Alex Laughery at [alex.laughery@wsu.edu](mailto:alex.laughery@wsu.edu) or 509-901-9047.

### **National Junior Horticultural Association** <http://njha.org/>

This year, our annual convention will be in Lincoln, NE from October 11-14, 2019.

The highlight every year is the horticulture ID contest, where youth identify plants based on their leaves, fruits, bark, and more; in addition, we have other contests ranging from floral arrangement to public speaking to writing to even horticulture-themed Jeopardy.

Youth ages 5-22 can compete individually or as part of a team, with cash prizes for national winners!

Our convention will also be touring the world-class Lauritzen Botanical Gardens and Nevada Innovations Greenhouse, in addition to workshops taught by faculty at the University of Nebraska, Lincoln. We think it'll be one of the most exciting and fun conventions in recent years.

NJHA's convention is a fantastic way for 4-H'ers to meet other like-minded youth from all over the nation.

Our participants are a mix of 4-H, FFA, and Grange members. Our info sheet with more details is here:
