SOCIAL MEDIA

We all know how great it is to be a part of 4-H. Kids are able to experience things and learn things through 4-H that they wouldn't be able to otherwise. We want to reach as many available youth in our counties as possible. Social media can be a great tool in recruiting new 4-H'ers. We have an official Facebook account that you can like and follow to keep up with what is happening in our program. Share events, pictures, posts, etc. with your friends to get the message out about 4-H. We also post important news and announcements from the office so don't miss out!
